TOPIC	DISCUSSION/INFORMATION		ACTION REQUIRED
1.0 Call to Order	Meeting called to order at 12:04 pm		
2.0 Past Minutes	Unanimously voted to approve February 16, 2017 minutes.		
3.0 YAC Presentation	<p>Informative presentation given by Brookings YAC (Youth Advisory Council) about when they started, what they do and what they want to see for the future of the YAC. They started small with hanging posters and having tables at sporting events to give away freebie items and information to promote all services at the SBHC. They had a big BBQ at the end of last year that was very successful in promoting the SBHC and #TBH events and created a lot of exposure for both SBHC and the YAC.</p> <p>It's important for everyone to understand that the YAC is student driven and is basically kids helping other kids. In February 5 members of the YAC went to Salem to the Capitol for School Based Awareness day. They met with many different people and were able to meet with Senator Cruz in his office to lobby to help prevent funding being cut for SBHCs.</p> <p>The students are finding that other students are learning</p>		

	who they are and are coming to them for support in visiting the SBHC to get services.
