Thank you for attending our CAC meeting!

- Flyer for remained of the summer – in Port Orford and Gold Beach
- Pamela Huntley- Health Equity fair August 16th – catch the wellness wave – SOC in curry county. Partnering with the fair.
- Connie Hunter – a monoclonal antibodies coming out of Sutter’s Coast. The area needs a better understanding of economic development, we need the money to come to Curry County not California. CHN has trouble providing training for staff, because they are understaffed. Have local providers that work with VA – VA should be the main payee for vets, Medicare ends up being billed and Veterans end up in collections for bills that should have been paid by the VA but were billed wrong by the providers. Providers need to bill VA not Medicare.
 - Going to the Myer Memorial trust housing summit this weekend. They will discuss how money should be used in our community.
- Loren Farmer – Central and North coast are doing well. South coast vaccines are available out at the Rush center, also doing testing 3 days a week.
 - VA billing needs to get squared away. VA needs to be billed correctly by
 - Work force and training – need more training Curry Health Network, because right now many residents of Curry are being referred to Sutter’s, (CA) to get monoclonal vaccines. Coast Community has The Vaccines but pharmacies don’t.
- Jen – June is pride month, the was a roadshow of the coast pride events. We do have funding for curry specifically for curry residential for gender affirmation.
- Tricia – youth and seniors – Harmony and Me - let the music play did recent recordings. Teen and open mic night. Looking for org supporting handwritten notes to be delivered to care facilities. Need volunteers. Looking for more funding to make this happen. Music can help strengthen families. still get recognition in community when setting up pop- up locations.
- Star – DHS – SNAP emergency allotment extended through July. TANF has had a waiver through COVID this has been extended. Offices in Curry county have COVID running through them resulting in limited staff.
