

# Coos County Wraparound Services

## Family Support Services

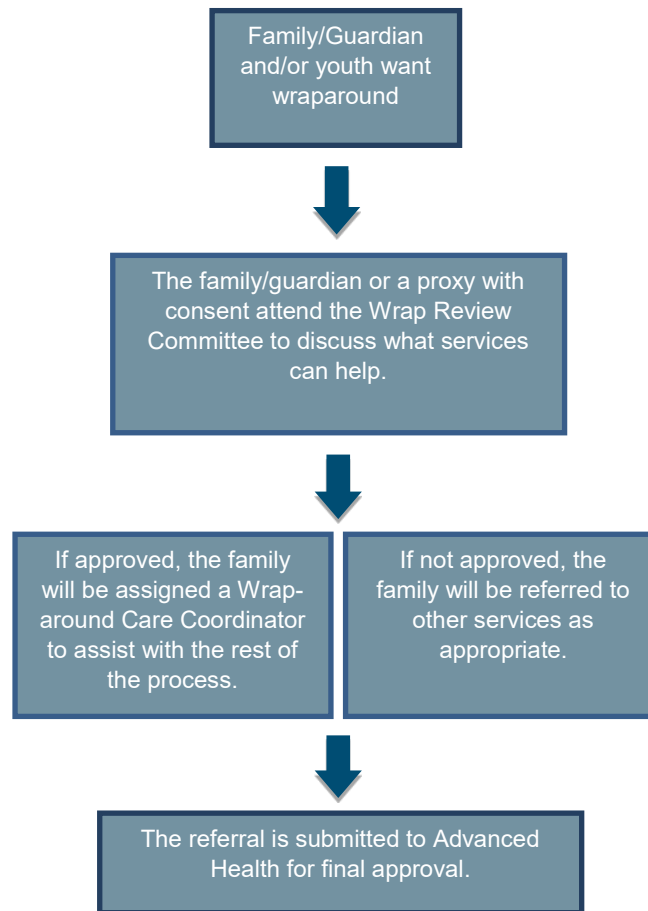

Family Support Specialists are individuals with lived experience of raising youth with mental health needs and/or system involvement. They work as professional advocates for the parents and the family and work with them to express their needs.

## Youth Support Services

Youth Support Specialists are advocates with lived experience of being a youth with mental health needs and/or system involvement. They are professionals that work with youth to help them express their needs and thoughts within their systems and the wraparound team.

## Wraparound

Wraparound is a collaborative problem solving process that brings together all of the important people and systems in a youth's life to create an individualized plan for addressing your child's needs.

Our team-based model is family driven and youth-guided. It works by building on family strengths, collaborating with community resources and incorporating shared decision-making.

Each approach is individualized and culturally responsive.

## Eligibility

Coos County Wraparound Care helps families work through complex challenges related to emotional, behavioral, medical, and/or substance use needs.

A youth may be eligible if they:

- Are under the age of 18
- Are enrolled in the Oregon Health Plan, Advanced Health, or another qualifying insurance.
- Have a mental health assessment within the past year
- Receive services from at least two child serving systems.
- Care coordination needs cannot be met by the other systems.

## Guiding Principles

- ◆ Family driven and youth guided
- ◆ Strengths Based
- ◆ Team Based
- ◆ Natural Supports
- ◆ Collaboration
- ◆ Community Based
- ◆ Culturally Respectful
- ◆ Individualized
- ◆ Persistence
- ◆ Outcome Based

In Wraparound, the family and youth drive the process and set the goals. Together, the family and their chosen team identify their strengths and use those to come up with individualized plans that fit with their needs.
