

# ***BE THAT VOICE!!***

## ***Please Join the Coos County System of Care Committee!***

### **What is a System of Care**

A variety of community-based services and supports for children and youth with or at risk for mental health challenges. System of care is organized into a coordinated network in order to build meaningful partnerships with family and youth, and address their cultural needs in order to help them function better at home, in school, in the community, and throughout life.

### **How You Can Get Involved:**

Coos County System of Care is looking for Young Adults and Family Members to provide the perspective of young adults and families who are currently or have previously been through the Behavioral Health System at the Monthly System of Care Meetings.

### **Member Responsibilities**

Attend System of Care Meetings TBA on a monthly basis.

Reside in Coos County

#### **System of Care Mission**

“Our mission is to bring together youth, families, and service organizations, acting as equal partners, to affect positive change in our community.”

#### **Vision**

“We envision a community that utilizes the voice, strengths, resources, and expertise of its citizens to inform service provision.”

#### **Values**

- Youth and family voice and choice
- Empower youth and family experience
- Respect for individual, youth, and family values and beliefs
- Enhance current strengths and develop new ones
- Identify options even when none seem available
- Create a network that works for youth, families & community
- Service and agency Integration & collaboration
- Participate in collaborative problem solving to resolution complex issues
