Gordon-Suicide in Curry County- 70-80% of suicides are by firearm, 50% of those were women.

We are way up and have been except for 2020. Gordon provided the most recent data. Gordon is concerned that suicides by firearm are being ignored in the county and that they are not locked up. Reviewed brochure "people who love guns love you" 78% of kids who died by suicide by firearm found them at home. Gordon is concerned that folks need to learn to intervene personally prior to police involvement to help reduce suicide.

Corrine-Parents & caregivers of young children in our South Coast Region are invited to participate in our upcoming Group Connections Gathering.

Do you know all you need to know in the event of an emergency? Join us in-person at the Riley Creek Elementary School in Gold Beach, October 17th, from 4:00-5:00pm, to explore ways to get your family prepared!
