## **We keep your information private**

We only share your records with people who need to see them. This could be for treatment or for payment reasons. You can limit who sees your records. Tell us in writing if you don't want someone to see your records **or** if you want us to share your records with someone. You can ask us for a list of who we have shared your records with.

If you want us to share your records and information with someone, please complete the Release of Information form. If you want to prevent someone from seeing your records, please use the form at Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

<https://advancedhealth.com/wp-content/uploads/2021/05/Release-of-Information-OHP-2017.pdf> .

A law called the Health Insurance Portability and Accountability Act (HIPAA) protects your medical records and keeps them private. This is also called confidentiality. We have a paper called Notice of Privacy Practices that explains how we use our members' personal information. We will send it to you if you ask. Just call Customer Service and ask for our Notice of Privacy Practices. You can also see it at <https://advancedhealth.com/members/forms/> .

## **Health records**

A health record has your health conditions and the services you used. It also shows the referrals that have been made for you.

### **What can you do with health records?**

- Ask to send your record to another provider.

- Ask to fix or correct your records.
- Get a copy of your records, including, but not limited to:
  - Medical records from your provider
  - Dental records from your dental care provider
  - Records from Advanced Health

You may be charged a reasonable amount for a copy of the requested records.

**There may be times when the law restricts your access.**

Psychotherapy notes and records prepared for court cases cannot be shared.

Providers may also not share records when, in their professional judgement, sharing records could cause substantial harm to you or another person.

If a provider denies you or your authorized representative copies of your medical records, the provider must give you a written notice. The notice must explain why the request was denied and explain your rights to have another provider review the denial. The notice will also tell you how to make a complaint to the provider or the Secretary of Health and Human Services.

## **Welcome to Advanced Health!**

We are glad you are part of Advanced Health. Advanced Health is happy to help with your health. We want to give you the best care we can.

It is important to know how to use your plan. This handbook tells you about our company, how to get care, and how to get the most from your benefits.

### **How OHP and Advanced Health work together**

The Oregon Health Plan (OHP) is free health care coverage for Oregonians. OHP is Oregon's Medicaid program. It covers physical, dental, social, and behavioral health care services. OHP will also help with prescriptions and rides to care.

OHP has local health plans that help you use your benefits. The plans are called coordinated care organizations or CCOs. Advanced Health is a CCO. Advanced Health serves Coos and Curry counties.

We work with other organizations to help manage some of your benefits, like dental services and rides to care. For a full list of these organizations and services, please see the "Contact Us" section.

CCOs organize and pay for your health care. We pay doctors or providers in different ways to improve how you get care. This helps make sure providers focus on improving your overall health. You have a right to ask about how we pay providers. Provider payments or incentives will not change your care or how you get benefits. For more information, call Customer Service at 541-269-7400. When you ask for this information, we will send it within 5 business days. Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

All CCOs offer the same OHP benefits. Some offer extra services like new baby items and gym memberships. Learn more about Advanced Health benefits in the “Your benefits” and “Extra Services” sections.

When you enroll in OHP, you will get an Oregon Health ID card. This is mailed to you with your coverage letter. Each OHP member in your household gets an ID card.

**Your Oregon Health ID Card will look like this:**

When you enroll in a CCO, you will also get a CCO ID card. This card is very important. It shows that you are an Advanced Health member and lists other information like important phone numbers. Your primary care provider will also be listed on your ID card.

## Your Advanced Health ID card will look like:

Make sure to bring this card with you to your medical, dental and mental health appointments.

If you need a replacement or would like a different format, please call Advanced Health Member Services at 541-269-7400.

response or discrimination. You can make a complaint if you feel like your rights have not been respected. Learn more about making complaints on page 102. You can also call an Oregon Health Authority Ombudsperson at 877-642-0450 (TTY 711). You can send them a secure email at

[www.oregon.gov/oha/ERD/Pages/Ombuds-Program.aspx](http://www.oregon.gov/oha/ERD/Pages/Ombuds-Program.aspx).

There are times when people under age 18 (minors) may want or need to get health care services on their own. Minors 15 years and older can get medical and dental care without parental consent. To learn more, read “Minor Rights: Access and Consent to Health Care.” This booklet tells you the types of services minors of any gender can get on their own and how their health records may be shared. You can read it at [www.OHP.Oregon.gov](http://www.OHP.Oregon.gov). Click on “Minor rights and access to care.” Or go to:

- Be treated by providers the same as other people seeking health care.
- Have a stable relationship with a care team that is responsible for managing your overall care.
- Not be held down or kept away from people because it would be easier to:
  - Care for you,
  - Punish you, or

## **American Indian and Alaska Native Members**

American Indians and Alaska Natives have a right to choose where they get care. They can use primary care providers and other providers that are not part of our CCO, like:

- Tribal wellness centers.
- Indian Health Services (IHS) clinics. Find a clinic at <https://ihs.gov/findhealthcare/>
- Native American Rehabilitation Association of the

Northwest (NARA). Learn more or find a clinic at  
<https://www.naranorthwest.org>

You can use other clinics that are not in our network. Learn more about referrals and preapprovals on (page 37).

**American Indian and Alaska Natives don't need a referral or permission to get care from these providers.** These providers must bill Advanced Health. We will only pay for covered benefits. If a service needs approval, the provider must request it first.

American Indian and Alaska Natives have the right to leave Advanced Health any time and have OHP Fee-For-Service (FFS) pay for their care. Learn more about leaving or changing your CCO on page 94.

If you want Advanced Health to know you are an American Indian or Alaska Native, contact OHP Customer Service at 800-699-9075 (TTY 711) or login to your online account at [ONE.Oregon.gov](https://ONE.Oregon.gov) to report this.

You may be assigned a qualifying tribal status if any one of the following are true. These questions are also asked on the OHP application:

- You are an enrolled member of a Federally Recognized Tribe or a shareholder in an Alaska Native Regional Corporation.
- You get services from Indian Health Services, Tribal Health Clinics, or Urban Indian Clinics.
- You have a parent or grandparent who is an enrolled member of a Federally Recognized Tribe or a shareholder in an Alaska Native Regional Corporation or Village.

### **New members who need services right away**

Members who are new to OHP or Advanced Health may need prescriptions, supplies, or other items or services as soon as possible. If you can't see your primary care provider (PCP) or primary care dentist (PCD) in your first 30 days with Advanced

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

## Health:

- While you are waiting for an appointment, you can call Care Coordination at 541-269-7400. They can help you get the care you need. Care coordination can help OHP members with Medicare, too. (See the Care Coordination section to learn more)
  - If you are becoming a new Medicare enrollee, see the Members with OHP and Medicare section for more information.
- Make an appointment with your PCP as soon as you can. You can find their name and number on your Advanced Health ID card.
- Call Customer Service at 541-269-7400 if you have questions and want to learn about your benefits. They can help you with what you need.

## Primary care providers (PCPs)

**A primary care provider is who you will see for regular visits, prescriptions and care. You can pick one, or we can help you pick one.**

Primary care providers (PCPs) can be doctors, nurse practitioners and more. You have a right to choose a PCP within the Advanced Health network. If you do not pick a provider within 90 days of

becoming a member, Advanced Health will assign you to a clinic or pick a PCP for you. Advanced Health will notify your PCP of the assignment and send you a letter with your provider's information.

You can go to the Advanced Health Website to use the Find-a-Provider Tool to choose a provider. You can call Advanced Health Customer Service for help to choose a provider. If you have questions about your current Provider, you can call Advanced Health Customer Service. We will update this provider in your member file.

Your PCP will work with you to help you stay as healthy as possible. They keep track of all your basic and specialty care needs. Your PCP will:

- Get to know you and your medical history.
- Provide your medical care.
- Keep your medical records up-to-date and in one place.

Your PCP will refer you to a specialist or admit you to a hospital if needed.

Each member of your family on OHP must pick a PCP. Each person can have a different PCP.

**Don't forget to ask Advanced Health about a dentist, mental health provider, and pharmacy.**

Each member of your family must have a dentist that will be their primary care dentist (PCD). You will go to your PCD for most of your dental care needs. Your PCD will send you to a specialist if you need to go to one.

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

Your PCD is important because they:

- Are your first contact when you need dental care.
- Manage your dental health services and treatments.
- Arrange your specialty care.

Please call Advantage Dental Customer Service at 866-268-9631 Monday through Friday, 8:00 a.m. to 5:00 p.m. (TTY 711) if you would like to change your PCP, PCD or other providers. You can start seeing your new providers on the day this change is made.

### **In-network providers**

Advanced Health works with some providers, but not all of them. Providers that we work with are called in-network or participating providers.

Providers we do not work with are called out-of-network providers. You may be able to see out-of-network providers if needed, but they must work with the Oregon Health Plan.

You may be able to see an out-of-network provider for primary care if:

- You are switching CCOs or move from OHP fee-for-service to a CCO (see page 94)
- You are American Indian or Alaskan Native (see page 27)

## **Provider directory**

You can choose your PCP, PCD or other providers from the provider directory at: <https://advancedhealth.com/>. You can also call Customer Service for help.

Here are examples of information you can find in the Provider Directory:

- If a provider is taking new patients.
- Provider type (medical, dental, behavioral health, pharmacy, etc).
- How to contact them.
- Video and phone care (telehealth) options.
- Language help (including translations and interpreters).
- Accommodations for people with physical disabilities.

You can get a paper copy of the directory. You can get it in another format (such as other languages, large print, or Braille) for free. Call Customer Service at 541-269-7400.

## **Make an appointment**

**You can make an appointment with your provider as soon as you pick one.**

Your PCP should be your first call when you need care. They will make an appointment or help you decide what kind of care you need. Your PCP can also refer you to other covered services or

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

resources. Call them directly to make an appointment.

If you are new to your PCP, make an appointment for a check-up. This way they can learn about you and your medical history before you have an issue or concern. This will help you avoid any delays the first time you need to use your benefits.

Before your appointment, write down:

- Questions you have for your PCP or other providers.
- History of family health problems.
- Prescriptions, over-the-counter medications, vitamins

or supplements you take. Call for an appointment during office hours and tell them:

- You are an Advanced Health member.
- Your name and Advanced Health ID number.
- What kind of appointment you need.
- If you need an interpreter and the language you need.

Let them know if you are sick and need to see someone that day.

**You can get a free ride to your appointment.** Let us know if you need a ride to care on **page 28**.

## **Missed appointments**

Try not to miss appointments. If you need to miss one, call your PCP and cancel right away. They will set up another visit for you. If you don't tell your provider's office ahead of time, they may not agree to see you again.

**Each provider has their own rules about missed appointments. Ask them about their rules.**

## **Changing your PCP**

You can change your PCP at any time. Call Advanced Health Customer Service at 541-269- 7400. Let us know if want to see a different Primary Care Provider than the one listed on your PCP letter. You will get this letter when you choose a PCP. We will update this provider in your member file.

## **Changes to Advanced Health providers**

We will tell you when one of your regular providers stops working with Advanced Health. You will get a letter 30 days before the change happens. If this change was already made, we will send you a letter within 15 days after the change.

## **Second opinions**

You have a right to get a second opinion about your condition or treatment. Second opinions are free. If you want a second opinion, Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

call Advanced Health Customer Service and tell us you want to see another provider.

If there is not a qualified provider within our network and you want to see a provider outside our network for your second opinion, contact Advanced Health customer service for help. We will arrange the second opinion for free.

### **Survey about your health**

Shortly after you enroll and if you have a health-related change, Advanced Health may send you a survey about your health. This survey is called a Health Risk Assessment.

You can complete the survey by completing the survey in your Welcome Packet. You may receive a call from a Care Coordinator. You can call Customer Service to complete this by phone. You can find the Advanced Health Health Risk Assessment online at

<https://advancedhealth.com/members/forms/> or call 541-269-7400 to have a care coordination team member help you complete it.

The survey asks questions about your general health with the goal of helping reduce health risks, maintain health, and prevent disease.

The survey asks about:

- Your access to food and housing.
- Your habits (like exercise, eating habits, and if you smoke or drink alcohol).
- How you are feeling (to see if you have depression or need a mental health provider).
- Your general well-being, dental health and medical history.
- Your primary language.
- Any special health care needs, such as high-risk pregnancy, chronic conditions, behavioral health disorders, and disabilities, etc.
- If you want support from a care coordination team.

Your answers help us find out:

- If you need any health exams, including eye or dental exams.
- If you have routine or special health care needs.
- Your chronic conditions.
- If you need long-term care services and supports
- Safety concerns.
- Difficulties you may have with getting care.
- If you need extra help with Care Coordination. See page 34 for Care Coordination.

A care coordination team member will look at your survey. They

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com> 50

will call you to talk about your needs and help you understand your benefits.

If we do not get your survey, we will reach out to help make sure it is completed within 90 days of enrollment, or sooner if needed. If you want us to send you a survey you can call Advanced Health Customer Service at 541-269-7400, and we will send you one.

Your survey will be shared with your doctor or other providers to reduce how many times you are asked these questions. Sharing your survey also helps coordinate your care and services.

## Members who are pregnant

If you are pregnant, OHP provides extra services to help keep you and your baby healthy. When you are pregnant, Advanced Health can help you get the care you need. Your care coordination team will work closely with you. This team will have different people who will work together to meet your needs, like providers, specialists, and community programs you work with. The team will connect you with community and social support resources that may help you. Your care team's job is to make sure the right people are part of your care to help you reach your goals. We will all work together to support you.

## **You may need a care plan**

You and your care team will decide if a care plan is needed. This plan will help meet your needs and is made with you, your care team and providers. Your plan will list supports and services needed to help you reach your goals. This plan addresses medical, dental, cultural, developmental, behavioral and social needs so you have positive health and wellness results.

The plan will be reviewed and updated at least annually, as your needs change, or if you ask for a review and update. You, your representative and your providers get a copy of your care plan.

You, an authorized representative or provider can request a copy of your care plan or request development of a Care Plan by calling Advanced Health Customer Service at 541-269-7400 or email us at [CustomerService@Advancedhealth.com](mailto:CustomerService@Advancedhealth.com).

We partner with these people to get you social and support services, like culturally specific community-based services.

## Your benefits

### How Oregon decides what OHP will cover

Many services are available to you as an OHP member. How Oregon decides what services to pay for is based on the **Prioritized List of Health Services**. This list is made up of different medical conditions (called diagnoses) and the types of procedures that treat the conditions. A group of medical experts and ordinary citizens work together to develop the list. This group is called the Oregon Health Evidence Review Commission (HERC). They are appointed by the governor.

The list has combinations of all the conditions and their treatments. These are called condition/treatment pairs.

The condition/treatment pairs are ranked on the list by how serious each condition is and how effective each treatment is.

### For members age 21 and older:

Not all condition and treatment pairs are covered by OHP. There is a stopping point on the list called “the line” or “the funding level.” Pairs above the line are covered, and pairs below the line are not. Some conditions and treatments above the line have certain rules and may not be covered.

### For members under age 21:

All medically necessary and medically appropriate services must be covered, based on your individual needs and medical history. This includes items “below the line” on the Prioritized List as well as services that don’t appear on the Prioritized List, like Durable Medical Equipment. See **page 72** for more information on coverage for members under 21.

Learn more about the Prioritized List at:

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

## Direct Access

You do not need a referral or preapproval for some services. This is called direct access. See the charts below for services that are direct access and do not need a referral or preapproval.

### No referral or preapproval needed

- **Emergency services** (Available 24 hours a day, 7 days a week)  
For physical, dental, or behavioral health
- **Urgent Care services** (Available 24 hours a day, 7 days a week)  
For physical, dental, or behavioral health

- **Women's Health Services**  
For routine and preventive care
- **Sexual Abuse Exams**
- **Behavioral Health Assessment and Evaluation services**
- **Outpatient and Peer-Delivered Behavioral Health services**  
From an in-network provider

See the Benefits Charts on **pages 43-56** for more information.

### **Getting preapproval (sometimes called a “prior authorization”)**

Some services, like surgery or inpatient services, need approval before you get them. This is to make sure that the care is medically needed and right for you. Your provider will take care of this and may submit information to us to support you getting the service. Even if the provider is not required to send us information, Advanced Health may still need to review your case for medical reasons.

You should know that these decisions are based only on whether the care or service is right for you and if you are covered by Advanced Health. Advanced Health does not reward providers or any other persons for issuing denials of coverage or care. Extra money is never given to anyone who makes a decision to say no to a request for care. Contact Advanced Health Customer Service at 541-269-7400 if you:

- Have questions
- Need to reach our Utilization Management Department
- Need a copy of the clinical guidelines

You might not get the service if it is not approved. We review preapproval requests as quickly as your health condition requires. Most service decisions are made within 14 days. Sometimes a

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

decision may take up to 28 days. This only happens when we are waiting for more information. If you or your provider feel following the standard time frame puts your life, health or ability to function in danger, we can make a faster decision called an “expedited service authorization”.

Expedited service decisions are typically made within 72 hours, but there may be a 14-day extension. You have the right to complain if you don’t agree with an extension decision. See page 102 for how to file a complaint.

If you need a preapproval for a prescription, we will make a decision within 24 hours. If we need more information to make a decision, it can take 72 hours.

See Page 77 to learn about prescriptions.

You do not need approval for emergency or urgent services or for emergency aftercare services. See page 82 to learn about emergency services.

## No preapproval is required for these services

- Outpatient behavioral health services or peer delivered services (in network)
- Behavioral Health assessment and evaluation services
- Medication Assisted Treatment for Substance Use Disorder (first 30 days)
- Assertive Community Treatment (ACT) and Wraparound services (a screening is required).

See the Benefits Charts on pages 40-57 for more information.

### Provider referrals and self-referrals

For you to get care from the right provider a referral might be needed. A **referral** is a written order from your provider noting the need for a service.

For example: If your PCP cannot give you services you need, they can refer you to a specialist. If preapproval is needed for the service, your provider will ask Advanced Health for approval.

If there is not a specialist close to where you live or a specialist who works with Advanced Health (also called in-network), they may have to work with the Care Coordination team to find you care out-of-network. To see an out-of-network provider, they must work with the Oregon Health Plan. There is no extra cost if this happens.

A lot of times your PCP can perform the services you need. If you think you might need a referral to a health care specialist, ask your PCP. You do not need a referral if you are having an emergency.

## Services that need a referral

- **Medication Assisted Treatment for Substance Use Disorder**
- **Specialist Services**  
If you have special health care needs, your health care team can work together to get you access to specialists without a referral.
- **Wraparound Services**

- **If you use a dental care provider that is not your primary care dentist, you may need a referral for these services:**
  - Oral exams
  - Partial or complete dentures
  - Extractions
  - Root canal therapy

See the Benefits Charts on pages 40-57 for more information.

## **Some services do not need a referral from your provider. This is called a self-referral.**

A **self-referral** means you can look in the provider directory to find the type of provider you would like to see. You can call that provider to set up a visit without a referral. Learn more about the Provider Directory on page 30.

### **Services you can self-refer to:**

- Visits with your PCP
- Care for sexually transmitted infections (STIs)
- Immunizations (shots)
- Traditional health worker services
- Routine Vision providers in the network
- Dental providers in the network
- Family planning services (including out-of-network)
- Mental health services for problems with alcohol or other drugs
- Assertive Community Treatment
- Behavioral Health services (in network)

See the Benefits Charts on page 40 - 57 for more information.

**Preapproval may still be needed for a service when you use self-referral. Talk with your PCP or contact Customer Service if you have questions about if you need a preapproval to get a service.**

## Dental benefits

All Oregon Health Plan members have dental coverage. OHP covers annual cleanings, x-rays, fillings, and other services that keep your teeth healthy.

### Healthy teeth are important at any age. Here are some important facts about dental care:

- Can help prevent pain.
- Healthy teeth keep your heart and body healthy, too.
- You should see your dentist once a year.
- When you're pregnant, keeping your teeth and gums healthy can protect your baby's health.
- Fixing dental problems can help you control your blood sugar.
- Children should have their first dental check-up by age 1.
- Infection in your mouth can spread to your heart, brain and body.

### Your primary care dentist (PCD) may refer you to a specialist for certain types of care. Types of dental specialists include:

- Endodontists (for root canals)
- Pedodontics (for adults with special needs, and children)
- Periodontist (for gums)
- Orthodontist (in extreme cases, for braces)
- Oral surgeons (for extractions that require sedation or general anesthesia).

### Please see the table below for what dental services are covered.

All covered services are free. These are covered as long as your provider says you need the services. Look at the "Service" column to see how many times you can get each service for free. Look At

the “How to access” column to see if you need to get a referral or preapproval for the service. If you see an \* in the benefit charts, this means a service may be covered beyond the limits listed for members under 21 if medically necessary and appropriate.

If you have questions regarding coverage and what benefits are available contact Customer Service at 541-269-7400.

### **OHP Bridge for adults with higher incomes**

OHP Bridge is a new benefit package that covers adults with higher incomes. OHP Bridge is free. People who can get OHP Bridge must:

- Be 19 to 64 years old;

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

If you report a higher income when you renew your OHP, you may be moved to OHP Bridge. Learn more about OHP Bridge at <https://www.oregon.gov/oha/hsd/ohp/pages/bridge.aspx>.

**OHP Bridge is almost the same as OHP Plus.** There are a few things that OHP Bridge does not cover, including:

- Long-term services and supports (LTSS)
- Health related social needs (HRSN)

## Health Related Social Needs

Health-Related Social Needs (HRSN) are social and economic needs that affect your ability to be healthy and feel well. These services help members who are facing major life changes. Get more information at:

<https://www.oregon.gov/OHA/HSD/Medicaid-Policy/Pages/HRSN.aspx>

Please ask Advanced Health to see what free HRSN benefits are available. HRSN benefits include:

- Housing Services: Help with rent and utilities, to get or keep housing, moving costs, and services to support you as a tenant.
- Climate Services: Help to get health related air conditioners, heaters, air filtration devices, portable power supplies and mini refrigerators.
- Nutrition Services: Help Includes nutrition counseling, medically tailored meals, meals or pantry stocking, fruit and vegetable prescriptions.

You may be able to get some or all of the HRSN benefits if you are an OHP Member, and one or more of the below:

- Are homeless or you have an income that is 30% or less than the area median income and do not have resources or support networks to prevent homelessness;
- Are being discharged from an Institute for Mental Disease;
- Are being released from incarceration;
- Are a youth transitioning out of the child welfare system;
- Are a Young Adult with Special Healthcare Needs;
- Are an individual who is transitioning to dual status with OHP and Medicare; or

You must also meet other criteria. For questions or to be screened, please contact Advanced Health. Advanced Health can help you to schedule appointments for HRSN benefits.

Please note that to be screened and to get HRSN benefits, your personal data may be collected and used for referrals. You can limit how your information is shared.

If approved, you can choose how you get HRSN benefits. HRSN benefits are free to you, and you can opt out at any time. If you get HRSN benefits, your care coordination team will work with you to make sure your care plan is updated. See page 34 for Care Coordination and care plans.

You have the right to appeal a denied HRSN service. See page 103 for more information.

### **Important Notes:**

- Rides to care cannot be used for HRSN services.
- OHP Bridge does not cover HRSN Services.

## **Services that OHP pays for**

Advanced Health pays for your care, but there are some services that we do not pay for. These are still covered and will be paid by the Oregon Health Plan's Fee-For-Service (open card) program.

CCOs sometimes call these services “non-covered” benefits.

There are two types of services OHP pays for directly:

1. Services where you get care coordination from Advanced Health.
2. Services where you get care coordination from OHP.

## **Services with Advanced Health care coordination**

Advanced Health still gives you care coordination for some services. Care coordination means you will get free rides from Bay Cities Brokerage for covered services, support activities and any resources you need for non-covered services.

## **Contact Advanced Health for the following services:**

- Planned Community Birth (PCB) services include prenatal and postpartum care for people experiencing low risk pregnancy as determined by the OHA Health Systems Division. OHA is responsible for providing and paying for primary PCB services including at a minimum, for those members approved for PCBs, newborn initial assessment, newborn bloodspot screening test, including the screening kit, labor and delivery care, prenatal visits and postpartum care.
- Long term services and supports (LTSS) not paid by Advanced Health
- Family Connects Oregon services, which provides support for families with newborns. Get more information at <https://www.familyconnectsoregon.org/>.

### **Contact OHP for the following services:**

- Comfort care (hospice) services for members who live in skilled nursing facilities
- School-based services that are provided under the Individuals with Disabilities Education Act (IDEA). For children who get medical services at school, such as speech therapy.

You can still get a free ride from Bay Cities Brokerage for any of these services. See **page 28** for more information. Call Bay Cities Brokerage at 877-324-8109 to schedule a ride or ask questions.

## **Moral or Religious objections**

Advanced Health does not limit services based on moral or religious objections. There may be some providers within our network that might have moral or religious objections. Please reach out to us at 541-269-7400 if you have questions about this. We can help you find a provider who can provide the service.

## **Access to the care you need**

Access means you can get the care you need. You can get access to care in a way that meets your cultural and language needs. Advanced Health will make sure that your care is coordinated to meet your access needs. See pages 34-35 for more information about Care Coordination. If Advanced Health does not work with a provider who meets your access needs, you can get these services out-of-network. Advanced Health makes sure that services are close to where you live or close to where you want care. This means that there are enough providers in the area and there are different provider types for you to pick from.

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

We keep track of our network of providers to make sure we have the primary care and specialist care you need. We also make sure you have access to all covered services in your area.

Advanced Health follows the state's rules about how far you may need to travel to see a provider. The rules are different based on the provider you need to see and the area you live in. Primary Care Providers are "Tier 1", meaning they will be closer to you than a specialist like Dermatology, who is "Tier 3". If you live in a remote area, it will take longer to get to a provider than if you live in an urban area. If you need help with transportation to and from appointments, see pages 71.

The chart below lists the tiers of providers and the time (in minutes) or distance (in miles) of where they are located based on where you live.

	<b>Lar ge Urb an</b>	<b>Urban</b>	<b>Rural</b>	<b>County with Extreme Access Considerations</b>
<b>Tier 1</b>	10 mins or 5 miles	25 mins or 15 miles	30 mins or 20 miles	40 mins or 30 miles
<b>Tier 2</b>	20 mins or 10 miles	30 mins or 20 miles	75 mins or 60 miles	95 mins or 85 miles
<b>Tier 3</b>	30 mins or 15 miles	45 mins or 30 miles	110 mins or 90 miles	140 mins or 125 miles

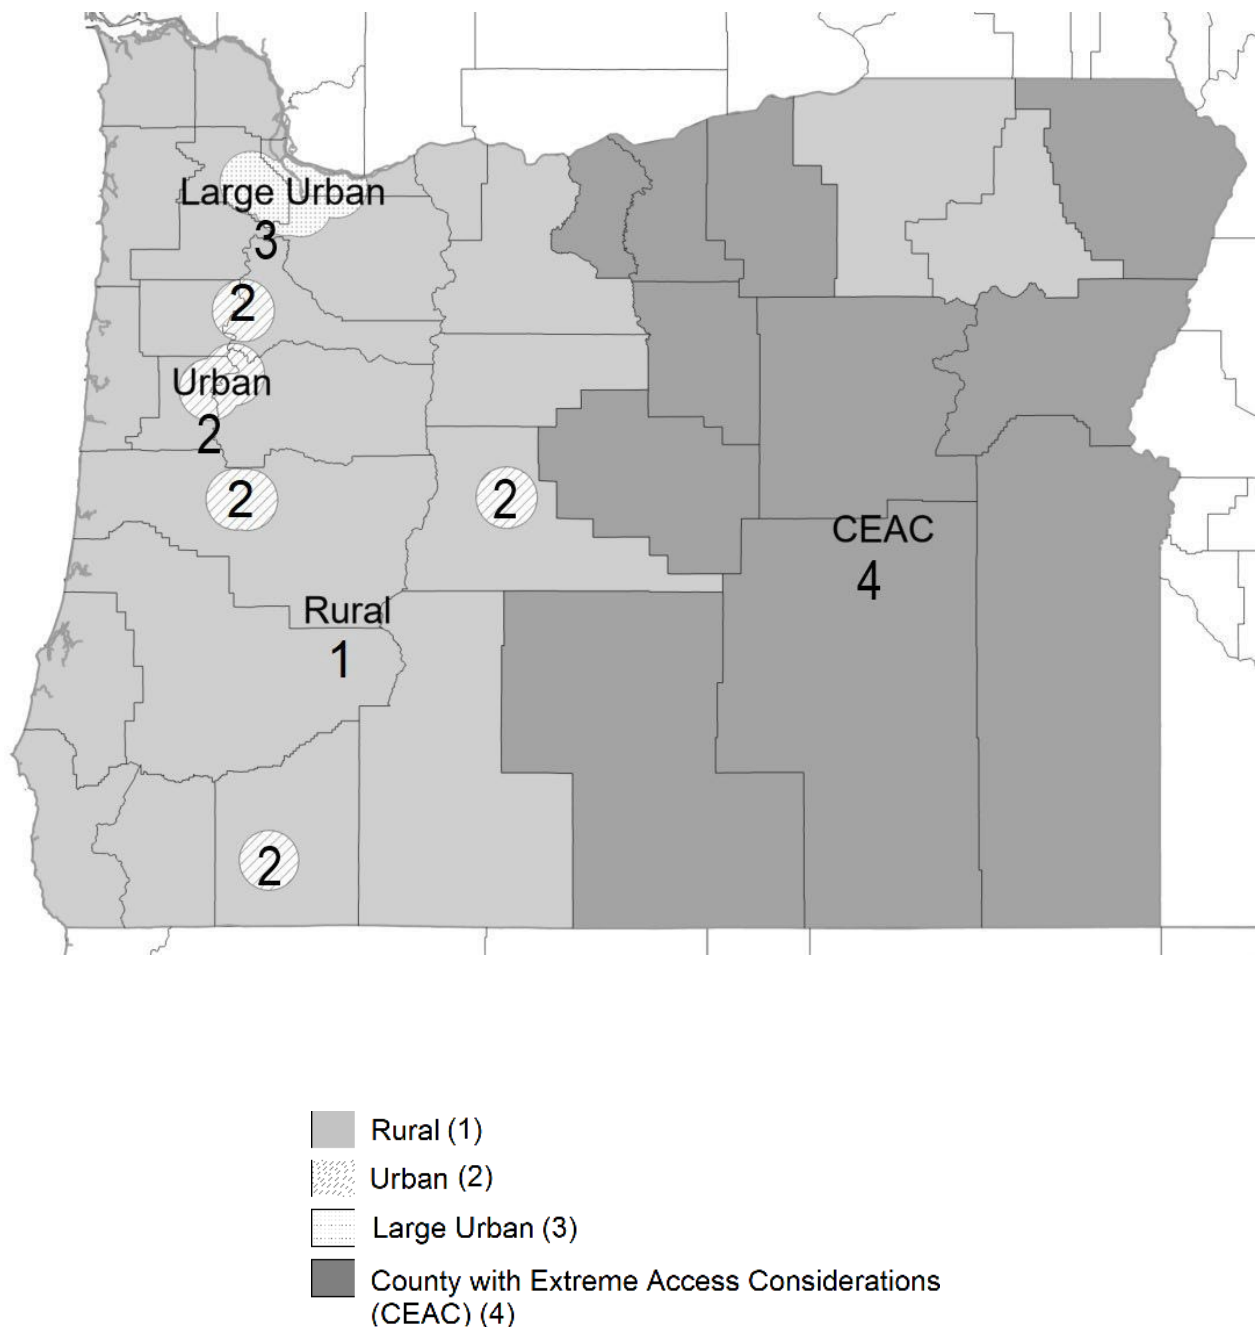

For more information about what providers fall into the different tiers, go to OHA's Network Adequacy website at:

<https://www.oregon.gov/oha/HSD/OHP/Pages/network.aspx>

Not sure what kind of area you live in? See the map on the next page:

## Area Types:

- **Large Urban (3):** Connected Urban Areas, as defined above, with a combined population size greater than or equal to 1,000,000 persons with a population density greater than or equal to 1,000 persons per square mile.
- **Urban (2):** Less than or equal to 10 miles from center of 40,000 or more.
- **Rural (1):** Greater than 10 miles from center of 40,000 or more with county population density greater than 10 people per square mile.
- **County with Extreme Access Concerns (4):** Counties with 10 or fewer people per square mile.

*Figure 1: Map of geographic regions in Oregon as defined for network adequacy. Area distinctions include: Large Urban, Urban, Rural, and County with Extreme Access Considerations (CEAC).*

Our providers will also make sure you will have physical access,

## **Comprehensive and preventive benefits for members under age 21**

The Early and Periodic Screening, Diagnosis and Treatment (EPSDT) program provides comprehensive and preventive health care services for OHP members from birth to age 21. This program provides you with the care you need for your health and development. These services can catch and help with concerns early, treat illness, and support children with disabilities.

You do not have to enroll separately in EPSDT; if you are under age 21 and enrolled in OHP you will receive these benefits. Starting in 2025 Young Adults with Special Health Care Needs (ages 19 through 25) may also qualify for EPSDT benefits. Contact Advanced Health for more information.

### **EPSDT covers:**

- Any services needed to find or treat illness, injury, or other changes in health.
- “Well-child” or “adolescent well visit” medical exams, screenings, and diagnostic services to determine if there are any physical, oral/dental, developmental and mental health conditions for members under age 21.
- Referrals, treatment, therapy, and other measures to help with any conditions discovered.

For members under age 21, Advanced Health has to give:

- Regularly scheduled examinations and evaluations of physical, mental health, developmental, oral/dental health, growth, and nutritional status.
  - If your Advanced Health doesn't cover oral/dental health, you can still get these services through OHP by calling 1-800-273-0557.
- All medically necessary and medically appropriate services must be covered for members under 21, regardless of whether it was covered in the past (this includes things that are "below the line" on the Prioritized List). To learn more about the Prioritized list, see page 36.

Under EPSDT, Advanced Health will not deny a service without first looking at whether it is medically necessary and medically appropriate for you.

- *Medically necessary* generally means a treatment that is required to prevent, diagnose or treat a condition, or to support growth, development, independence, and participation in school.
- *Medically appropriate* generally means that the treatment is safe, effective, and helps you participate in care and activities. Advanced Health may choose to cover the least expensive option that will work for you.

You should always receive a written notice when something is denied, and you have the right to an appeal if you don't agree with the decision. For more information, see page 102.

This includes *all* services:

- Physical Health;

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

- Behavioral Health;
- Dental Health; and
- Social Health Care Needs.

**If you or your family member needs EPSDT services, work with your primary care provider (PCP) or talk to a care coordinator by calling 541-269-7400. They will help you get the care you need. If any services need approval, they will take care of it. Work with your primary care dentist for any needed dental services. All EPSDT services are free.**

### **Help getting EPSDT services**

- Call Customer Service at 541-269-7400.
- Call Advantage Dental at 866-268-9361 to set up dental services or for more information.
- You can get free rides to and from covered EPSDT provider visits. Call 541-269-7400 to set up a ride or for more information.
- You can also ask your PCP or visit our website at: <https://AdvancedHealth.com> for a copy of the periodicity schedule. This schedule tells you when children need to see their PCP.

## Screenings

Covered screening visits are offered at age-appropriate intervals (these include well child visits or adolescent well visits). Advanced Health and your PCP follows the American Academy of Pediatrics and Bright Futures guidelines for all preventive care screenings and well child visits.

Bright Futures can be found at: <https://www.aap.org/brightfutures> .

You can use the [Well Visit Planner](#) to prepare for these check-ups.

Your PCP will help you get these services and treatment when

required by the guidelines. Screening visits include:

- Developmental screening.
- Lead testing:
  - Children must have blood lead screening tests at ages 12 months and 24 months. Any child between ages 24 and 72 months with no record of a previous blood lead screening test must get one.
  - Completion of a risk assessment questionnaire does not meet the lead screening requirement for children in OHP. All children with lead poisoning can get follow up case management services.
- Other needed laboratory tests (such as anemia test, sickle cell test, and others) based on age and risk.
- Assessment of nutritional status.
- Overall unclothed physical exam with an inspection of teeth and gums.
- Full health and development history (including review of both physical and mental health development).
- Immunizations (shots) that meet medical standards:
  - Child Immunization Schedule (birth to 18 years):  
<https://www.cdc.gov/vaccines/schedules/hcp/imz/>

[child-adolescent.html](https://www.cdc.gov/vaccines/schedules/hcp/imz/child-adolescent.html)

- Adult Immunization Schedule (19+):  
<https://www.cdc.gov/vaccines/schedules/hcp/imz/adult.html>
- Health guidance and education for parents and children.
- Referrals for medically necessary physical and mental health treatment.
- Needed hearing and vision tests.
- And others.

Covered visits also include unscheduled check-ups or exams that can happen at any time because of illness or a change in health or development.

### **EPSDT Referral, diagnosis and treatment**

Your primary care provider may refer you if they find a physical, mental health, substance abuse, or dental condition. Another provider will help with more diagnosis and/or treatment.

The screening provider will explain the need for the referral to the child and parent or guardian. If you agree with the referral, the provider will take care of the paperwork.

Advanced Health or OHP will also help with care coordination, as needed. Screenings may find a need for the following services, as well as others:

- Diagnosis of and treatment for impairments in vision and hearing, including eyeglasses and hearing aids.
- Dental care, at as early an age as necessary, needed for relief of pain and infections, restoration of teeth and maintenance of dental health.
- Immunizations (if it is determined at the time of screening that immunization is needed and appropriate to provide at the time of screening, then immunization treatment must be provided at that time.).

These services must be provided to eligible members under 21 years old who need them. Treatments that are “below the line” on the Prioritized List of Health Services are covered for members under 21 if they are medically necessary and medically appropriate for that member (see more information above).

- If we tell you that the service is not covered by OHP, you still have the right to challenge that decision by filing an appeal and asking for a hearing. See page 102.

Advanced Health will give referral help to members or their representatives for social services, education programs, nutrition assistance programs, and other services.

For more information about EPSDT coverage, you can visit [www.Oregon.gov/EPSDT](http://www.Oregon.gov/EPSDT) and view a member fact sheet. Advanced

## **Traditional Health Workers (THW)**

Traditional Health Workers (THW) provide support and help with questions you have about your health care and social needs. They help with communication between your health care providers and other people involved in your care. They can also connect you with people and services in the community that can support you.

There are a few different kinds of traditional health workers:

- **Birth Doula:** A person who helps people and their families with personal, non-medical support. They help through pregnancy, childbirth, and after the baby is born.
- **Community Health Worker (CHW):** A community health worker understands the people and community where you live. They help you access health and community services. A community health worker helps you start healthy behaviors. They usually share your ethnicity, language, or life experiences.

- **Personal Health Navigator (PHN):** A person who gives information, tools, and support to help you make the best decisions about your health and wellbeing, based on your situation.
- **Peer Support Specialist (PSS):** Someone who has life experiences with mental health and/or addiction and recovery. A PSS may also have been a support to a family member with mental health concerns and/or receiving addiction treatment. They give support, encouragement, and help to those facing addictions and mental health issues.
- **Peer Wellness Specialist (PWS):** A person who works as part of a health home team and speaks up for you and your needs. They support the overall health of people in their community and can help you recover from addiction, mental health, or physical conditions.

THW can help you with many things, like:

- Working with you and your care coordinator to find a new provider.
- Receiving the care you seek and need.
- Connecting you with others to explain your benefits.
- Providing information on mental health and/or addiction services and support.
- Information and referral about community resources you could use.
- Someone to talk to from your community.

Please call at least 2 business days before the appointment to schedule a ride. This will help make sure we can meet your ride needs.

You can get a same or next-day ride. Please call Bay Cities Brokerage.

You or someone you know can set up more than one ride at a time for multiple appointments. You can schedule rides for future appointments up to 90 days in advance.

### **What to expect when you call**

Bay Cities Brokerage has call center staff who can help with rides in

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

your preferred language and in a way that you can understand. This help is free.

The first time you call we will tell you about the program and talk about your ride needs. We will ask about your physical ability and if you will need someone to travel with you.

When you call to schedule a ride, we will ask for:

- Your full name.
- Your address and phone number.
- Your date of birth.
- Name of the doctor or clinic you need to visit.
- Date of appointment.
- Time of appointment.
- Pick-up time after appointment.
- If you need an attendant to help you.
- Any other special needs (like a wheelchair or service animal).

We will check to see if you are with Advanced Health and if your appointment is for a service that's covered. You will get more information about your ride within 24 hours. You will get information about your ride request in a way you choose (phone call, email, fax).

If you request a ride less than two (2) days before the scheduled pick-up time, we will give you the phone number of the company who will arrange for your pick up. We may also give you the name and phone number of the driver who will pick you up.

### **Pick up and drop off**

You'll get the ride company or driver's name and number before your appointment. Your driver will contact you at least 2 days before your ride to confirm details. They will pick you up at your scheduled time. Please be on time. If you are late, they will wait for 15 minutes after your scheduled time. That means if your ride is scheduled for 10 a.m., they will wait for you until 10:15 a.m.

They will drop you off for your appointment at least 15 minutes before it starts.

- **First appointment of the day:** We will drop you off no more than 15 minutes before the office opens.
- **Last appointment of the day:** We will pick you up no later than 15 minutes after the office closes, unless the appointment is not expected to end within 15 minutes after closing.
- **Asking for more time:** You must ask to be picked up earlier or dropped off later than these times. Your representative, parent or guardian can also ask us.
- **Call if your driver has not arrived by 10 minutes after pickup time:** If your driver has not arrived by 10 minutes after your scheduled pickup time, call the ride company. Staff will let

you know if the driver is on their way. Drivers must tell the dispatcher before leaving from the pick-up location.

- **Call if you don't have a pickup time:** If there is no scheduled pickup time for your return trip, call us when you are ready. Your driver will be there within 1 hour after you call.

Bay Cities Brokerage is a shared ride program. Other passengers may be picked up and dropped off along the way. If you have several appointments, you may be asked to schedule on the same day. This will help us to make fewer trips.

You may ask to have a friend or family member drive you to the appointment. They can get reimbursed (paid) for the miles they drive.

### **You have rights and responsibilities as a rider:**

#### **You have the right to:**

- Get a safe and reliable ride that meets your needs.
- Be treated with respect.
- Ask for interpretation services when talking to customer service
- Get materials in a language or format that meets your needs.

- Get a written notice when a ride is denied.
- File a complaint about your ride experience.
- Ask for an appeal, ask for a hearing, or ask for both if you feel you have been denied a ride service unfairly.

### **Your responsibilities are to:**

- Treat drivers and other passengers with respect.
- Call us as early as possible to schedule, change, or cancel a ride
- Use seatbelts and other safety equipment as required by law (example: car seats).
- Ask for any additional stops, like the pharmacy, in advance.

### **Cancel or change your ride**

Call Bay Cities Brokerage when you know you need to cancel or reschedule your ride, at least 2 hours before the pick-up time.

You can call the Bay Cities Brokerage Monday through Friday, 8:00 a.m. to 5:00 p.m. Leave a message if you can't call during business hours. Call Bay Cities Brokerage if you have any questions or ride changes.

### **When you don't show up**

A "no-show" is when you aren't ready to be picked up on time. Your driver will wait at least 15 minutes after the scheduled pick-up time before leaving. We may restrict your future rides if you have too many no-shows.

Having a restriction means we might limit the number of rides you can make, limit you to one driver, or require calls before each ride.

### **If your ride is denied**

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

You will receive a call to let you know that your ride is denied. All denials are reviewed by two staff members before sent to you. If your ride is denied, we will mail you a denial letter within 72 hours of the decision. The notice states the rule and reason for the denial.

You can ask for an appeal with Advanced Health if you do not agree with the denial. You have 60 days from the date of the denial notice to request an appeal. After the appeal, if the denial stands you also have the right to request a State hearing.

We will mail your provider a letter as well, if the provider is part of our provider network and they requested the transportation on your behalf.

You have the right to make a complaint or grievance at any time, even if you have made the complaint before. Some examples of a complaint or grievance are:

- Concerns about vehicle safety
- Quality of services
- Interactions with drivers and providers (such as rudeness)
- Ride service requested was not provided as arranged
- Consumer rights

Learn more about complaints, grievances, appeals and hearings on page 102.

The guide has more information, like:

- Wheelchairs and mobility help.
- Vehicle safety.
- Driver duties and rules.
- What to do in an emergency or if there is bad weather.
- Long distance appointments.
- Meal and lodging reimbursement.

## **Getting care by video or phone**

Telehealth (also known as telemedicine and tele dentistry) is a way for you to get care without going into the clinic or office. Telehealth means you can have your appointment through a phone call or video call. Advanced Health will cover telehealth visits. Telehealth lets you visit your provider using a:

- Phone (audio)

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

- Smart phone (audio/video)
- Tablet (audio/video)
- Computer (audio/video)

If you are in need of a device for telehealth appointments, please contact Advanced Health Customer Service. Ask them about Flex Funds.

**If you do not have internet or video access, talk to your provider about what will work for you.**

### **How to find telehealth providers**

Not all providers have telehealth options. You should ask about telehealth when you call to make your appointment. You can also check our provider search tool at <https://advancedhealth.com/>.

Click on the provider's profile to see if they offer telehealth. This list is not complete so you can also call your provider to double check.

## When to use telehealth

Advanced Health members using telehealth have the right to get the physical, dental, and behavioral health services they need.

Some examples of when you can use telehealth are:

- When your provider wants to visit with you before refilling a prescription.
- Counseling services.
- Following up from an in-person visit.

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

- When you have routine medical questions.
- If you are quarantined or practicing social distancing due to illness.
- If you are temporarily away from home and cannot meet with your doctor in person.
- If you are not sure if you need to go into the clinic or office.

Telehealth is not recommended for emergencies. If you feel like your life is in danger, please call 911 or go to the nearest emergency room. See pages 79-80 for a list of hospitals with emergency rooms.

If you do not know what telehealth services or options your provider has, call them and ask.

## **Telehealth visits are private**

Telehealth services offered by your provider are private and secure. Each provider will have their own system for telehealth visits, but each system must follow the law.

Learn more about privacy and the Health Insurance Portability and Accountability Act (HIPAA) on page 13.

Make sure you take your call in a private room or where no one else can listen in on your appointment with your provider.

## **You have a right to:**

- Get telehealth services in the language you need.
- Have providers who respect your culture and language needs.
- Get qualified and certified interpretation services for you and your family. Learn more on page 5.
- Get in-person visits, not just telehealth visits.
  - Advanced Health will make sure you have the choice of how you get your visits. A provider cannot make you use telehealth unless there is a declared state of emergency, or a facility is using its' disaster plan.
- Get support and have the tools needed for telehealth.
  - Advanced Health will help identify what telehealth tool is best for you.
  - CCO will ensure your provider conducts an assessment to see if telehealth is right for you. This includes, but is not limited to:
    - Need for alternate format;
    - Access to necessary device(s);
    - Access to a private and safe location;
    - Access to internet service;
    - Understanding of digital devices;

- Cultural concerns.

Talk to your provider about telehealth. If you need or prefer in person visits, and your provider is only a telehealth provider, let them know. They can refer you to another provider and tell Advanced Health. You have a choice of how you receive your care, and Advanced Health can help coordinate care with another provider. You can also call Customer Service at 541-269-7400 (TTY 711). We are open Monday through Friday, 8:00 a.m. to 5:00 p.m..

### **Prescription medications**

To fill a prescription, you can go to any pharmacy in Advanced Health's network. You can find a list of pharmacies we work with in our provider directory at: <https://advancedhealth.com/find-a-provider/> .

For all prescriptions covered by Advanced Health, bring to the pharmacy:

- The prescription.
- Your Advanced Health ID card, Oregon Health ID card or other proof of coverage such as a Medicare Part D ID card or Private Insurance card. You may not be able to fill a prescription without them.

## **Covered prescriptions**

Advanced Health list of covered medications is at:

<https://AdvancedHealth.com>.

- If you are not sure if your medication is on our list, call us. We will check for you.

If your medication is not on the list, tell your provider. Your provider can ask us to cover it.

- Advanced Health needs to approve some medication on the list before your pharmacy can fill them. For these medications, your provider will ask us to approve it.

Advanced Health also covers some over the counter (OTC) medications when your provider or pharmacy prescribes them for you. OTC medications are those you would normally buy at a store or pharmacy without a prescription, such as aspirin.

## **Asking Advanced Health to cover prescriptions**

When your provider asks Advanced Health to approve or cover a prescription:

- Doctors and pharmacists at Advanced Health will review the request from your provider.
- We will make a decision within 24 hours.
- If we need more information to make a decision, it can take 72

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

hours.

If Advanced Health decides to not cover the prescription, you will get a letter from Advanced Health. The letter will explain:

- Your right to appeal the decision
- How to ask for an appeal if you disagree with our decision. The letter will also have a form you can use to ask for an appeal.

Call Advanced Health Pharmacy Customer Service at 541-269-7400 (TTY 711) if you have questions.

### **Mail-order pharmacy**

Postal Prescription Services can mail some medications to your home address. This is called mail-order pharmacy. If picking up your prescription at a pharmacy is hard for you, mail-order pharmacy may be a good option. Call Advanced Health Pharmacy Customer Service at 541-269- 7400 (TTY 711) for more information.

- Learn more about mail-order pharmacy and
- Get set up with mail-order pharmacy.

## **OHP pays for behavioral health medications**

Advanced Health does not pay for most medications used to treat behavioral health conditions. Instead OHP pays for them. If you need behavioral health medications:

- Advanced Health and your provider will help you get the medications you need.
- The pharmacy sends your prescription bill directly to OHP. Advanced Health and your provider will help you get the behavioral health medications you need. Talk to your provider if you have questions. You can also call Advanced Health Customer Service at 541-269- 7400 (TTY 711).

## **Prescription coverage for members with Medicare**

Advanced Health and OHP do not cover medications that Medicare Part D covers.

If you qualify for Medicare Part D but choose not to enroll, you will have to pay for these medications.

If you have Part D, show your Medicare ID card and your Advanced Health ID card at the pharmacy.

If Medicare Part D does not cover your medication, your pharmacy can bill Advanced Health. If OHP covers the medication, Advanced Health will pay for it.

Learn more about Medicare benefits on page 35, 92.

## **Getting prescriptions before a trip**

If you plan to travel out of state, make sure you have enough medication for your trip. To do this, ask to get a prescription refill

early. This is called a vacation override. Please call Advanced Health at 541-269-7400 (TTY 711) to find out if this is a good option for you.

It can be a sudden injury or a sudden illness. Emergencies can also cause harm to your body. If you are pregnant, the emergency can also cause harm to your baby.

See a list of hospitals with emergency rooms on pages 79-80.

## **Dental emergencies**

A dental emergency is when you need same-day dental care. This care is available 24 hours a day and 7 days a week. A dental emergency may require immediate treatment. Some examples are:

experiencing any of the following or are unsure if it is a crisis. We want to help and support you in preventing an emergency.

**Examples of things to look for if you or a family member is having a behavioral health emergency or crisis:**

- Considering suicide.
- Hearing voices that are telling you to hurt yourself or another person.

- Hurting other people, animals or property.
- Dangerous or very disruptive behaviors at school, work,

or with friends or family. Here are some things Advanced

Health does to support stabilization in the community:

- A crisis hotline to call when a member needs help
- Mobile crisis team that will come to a member who needs help.
- Walk-in and drop-off crisis centers
- Crisis respite (short-term care)
- Short-term places to stay to get stable
- Post stabilization services and urgent care services. This care is available 24 hours a day and 7 days a week. Post Stabilization care services are covered services, related to a medical or behavioral health emergency, that are provided after the emergency is stabilized and to maintain stabilization or resolve the condition.
- Crisis response services, 24 hours a day, for members receiving intensive in-home behavioral health treatment.

See more about behavioral health services offered on pages 49-53.

## **Suicide prevention**

If you have a mental illness and do not treat it, you may risk suicide. With the right treatment, your life can get better.

## **Common suicide warning signs**

Get help if you notice any signs that you or someone you know is thinking about suicide. At least 80% of people thinking about suicide want help. You need to take warning signs seriously.

Here are some suicide warning signs:

- Talking about wanting to die or kill oneself.
- Planning a way to kill oneself, such as buying a gun.
- Feeling hopeless or having no reason to live.
- Feeling trapped or in unbearable pain.
- Talking about being a burden to others.
- Giving away prized possessions.
- Thinking and talking a lot about death.
- Using more alcohol or drugs.
- Acting anxious or agitated.
- Behaving recklessly.
- Withdrawing or feeling isolated.
- Having extreme mood swings.

**Never keep thoughts or talk of suicide a secret!**

## **If you want to talk with someone outside of Advanced Health, call any of the following:**

- See list of crisis lines on page 84
- National Suicide Prevention Lifeline: Call 988 or visit [988lifeline.org](https://988lifeline.org)
- The David Romprey Memorial Warmline: 800-698-2392
- Crisis Text Line: Text 741741
- For teen suicide prevention: Youth Line: 877-968-8491 or text teen2teen to 839863
- You can also search for your county mental health crisis number online. They can provide screenings and help you get the services you need.

For a list of additional crisis hotlines, see **page 90**, or go to <https://AdvancedHealth.com>.

## **Follow-up care after an emergency**

After an emergency, you may need follow-up care. This includes anything you need after leaving the emergency room. Follow-up care is not an emergency. OHP does not cover follow-up care when you are out of state. Call your primary care provider or primary care dentist office to set up any follow-up care.

- You must get follow-up care from your regular provider or regular dentist. You can ask the emergency doctor to call your provider to arrange follow-up care.
- Call your provider or dentist as soon as possible after you get urgent or emergency care. Tell your provider or dentist where you were treated and why.

- Your provider or dentist will manage your follow-up care and schedule an appointment if you need one.

## Care away from home

### Planned care out of state

Advanced Health will help you locate an out of state provider and pay for a covered service when:

- You need a service that is not available in Oregon
- Or if the service is cost effective

To learn more about how you may be able to get a prescription refill before your trip see page 78.

### Emergency care away from home

You may need emergency care when away from home or outside of the Advanced Health service area. **Call 911 or go to any emergency department.** You do not need preapproval for emergency services. Emergency medical services are covered throughout the United States, this includes behavioral health and emergency dental conditions.

**Do not pay for emergency care. If you pay the emergency room bill, Advanced Health is not allowed to pay you back.**  
See page 89 for what to do if you get billed.

**Please follow steps below if you need emergency care away from home**

1. Make sure you have your Oregon Health ID Card and Advanced Health ID card with you when you travel out of state.
2. Show them your Advanced Health ID Card and ask them to bill Advanced Health.
3. Do not sign any paperwork until you know the provider will bill Advanced Health. Sometimes Advanced Health cannot pay your bill if an agreement to pay form has been signed. To learn more about this form see page 87.
4. You can ask that the Emergency Room or provider's billing office to contact Advanced Health if they want to verify your insurance or have any questions.
5. If you need advice on what to do or need non-emergency care away from home, call Advanced Health for help.

In times of emergency the steps above are not always possible. Being prepared and knowing what steps to take for emergency care out of state may fix billing issues while you are away. These steps may help prevent you being billed for services that Advanced Health can cover. Advanced Health cannot pay for a service if the provider has not sent us a bill.

If you get a bill, do not pay the bill. First contact Advanced Health Customer Service at 541-269- 7400.

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

## **Bills for services**

### **OHP members do not pay bills for covered services**

When you set up your first visit with a provider, tell the office that you are with Advanced Health. Let them know if you have other insurance, too. This will help the provider know who to bill. Take your ID card with you to all medical visits. Advanced Health pays for all covered, medically necessary and appropriate services in accordance with the Prioritized List of Health Services.

An Advanced Health in-network provider (for a list of in-network providers see page 29-30.) or someone working for them cannot bill you or try to collect any money owed by Advanced Health for services you are not responsible for covering.

### **Members cannot be billed for missed appointments or errors.**

- Missed appointments are not billable to you or OHP.

- If your provider does not send the right paperwork or does not get an approval, you cannot get a bill for that. This is called provider error.

### **Members cannot get balance or surprise billing.**

When a provider bills for the amount remaining on the bill, after Advanced Health has paid, that's called balance billing. It is also called surprise billing. The amount is the difference between the actual billed amount and the amount Advanced Health pays. This happens most often when you see an out-of-network provider. You are not responsible for these costs.

If you have questions, call Customer Service 541-269-7400. For more information about surprise billing go to

<https://dfr.oregon.gov/Documents/Surprise-billing-consumers.pdf>.

### **If your provider sends you a bill, do not pay it.**

Call Advanced Health for help right away at 541-269-7400, (TTY 711).

You can also call your provider's billing office and make sure they know you have OHP.

### **There may be services you have to pay for**

Usually, with Advanced Health, you will not have to pay any medical bills. Sometimes though, you do have to pay. When you need care, talk to your provider about options. The provider's office will check with Advanced Health to see if a treatment or service is not covered. If you choose to get a service that is not covered, you may have to pay the bill.

## You have to pay the provider if:

- **You get routine care outside of Oregon.** You get services outside Oregon that are not for urgent or emergency care.
- **You don't tell the provider you have OHP.** You did not tell the provider that you have Advanced Health, another insurance or gave a name that did not match the one on the Advanced Health ID at the time of or after the service was provided, so the provider could not bill Advanced Health. Providers must verify your Advanced Health eligibility at the time of service and before billing or doing collections. They must try to get coverage info prior to billing you.
- **You continue to get a denied service.** You or your representative requested continuation of benefits during an appeal and contested case hearing process, and the final decision was not in your favor. You will have to pay for any charges incurred for the denied services on or after the effective date on the notice of action or notice of appeal resolution.

- **You get money for services from an accident.** If a third-party payer, like car insurance, sent checks to you for services you got from your provider and you did not use these checks to pay the provider.
- **We don't work with that provider.** When you choose to see a provider that is not in-network with Advanced Health you may have to pay for your services. Before you see a provider that is not in-network with Advanced Health you should call Customer Service or work with your PCP. Prior approval may be needed or there may be a provider in-network that can fit your needs. For a list of in-network Providers see page 29-30.
- **You choose to get services that are not covered.** You have to pay when you choose to have services that the provider tells you are not covered by Advanced Health. In this case:
  - The service is something that your plan does not cover.
  - Before you get the service, you sign a valid Agreement to Pay form. Learn more about the form below.
  - Always contact Advanced Health Customer Service first to discuss what is covered. If you get a bill, please contact Advanced Health Customer Service right away.
  - Examples of some non-covered services:
    - Some treatments, like over the counter medications, for conditions that you can take care of at home or that get better on their own (colds, mild flu, corns, calluses, etc.)
    - Cosmetic surgeries or treatments for appearance only.
    - Services to help you get pregnant.
    - Treatments that are not generally effective.

- Orthodontics, except for handicapping malocclusion and to treat cleft palate in children.

If you have questions about covered or non-covered services, please contact Advanced Health Customer Service at 541-269-7400 (TTY 711).

### **You may be asked to sign an Agreement to Pay form**

An agreement to pay form is used when you want a service that is not covered by Advanced Health or OHP. The form is also called a waiver. You can only be billed for a service if you sign the Agreement to Pay form. Should not feel forced to sign the form. You can see a copy of the form at <https://bit.ly/OHPwaiver>

You do not have to sign the Agreement to Pay form if you do not want to. If you are unsure if you should sign the Agreement to Pay form or have any question about if a benefit is covered, please contact Advanced Health Customer Services at 541-269-7400 (TTY 711) for help. If Advanced Health or your provider tell you that the service is not covered by OHP, you still have the right to challenge that decision by filing an appeal and asking for a hearing. See page 102.

## The following must be true for the Agreement to Pay form to be valid:

- The form must have the estimated cost of the service. This must be the same as on the bill.
- The service is scheduled within 30 days from the date you signed the form.
- The form says that OHP does not cover the service.
- The form says you agree to pay the bill yourself.
- You asked to privately pay for a covered service. If you choose to do this, the provider may bill you if they tell you in advance the following:
  - The service is covered and Advanced Health would pay them in full for the covered service.
  - The estimated cost, including all related charges, the amount Advanced Health would pay for the service. The provider cannot bill you for an amount more than Advanced Health would pay; and,
  - You knowingly and voluntarily agree to pay for the covered service.
- The provider documents in writing, signed by you or your representative, that they gave you the information above, and:
  - They gave you a chance to ask questions, get more information, and consult with your caseworker or representative.
  - You agree to privately pay. You or your representative sign the agreement that has all the private pay information.
  - The provider must give you a copy of the signed

agreement. The provider cannot submit a claim to Advanced Health for the covered service listed on the agreement.

### **Bills for emergency care away from home or out of state**

Because some out of network emergency providers are not familiar with Oregon's OHP (Medicaid) rules, they may bill you. You should not be billed for emergency or post-hospitalization care. Contact Advanced Health Customer Service if you get a bill. We have resources to help.

**Call us right away if you get any bills from out of state providers.** Some providers send unpaid bills to collection agencies and may even sue in court to get paid. It is harder to fix the problem once that happens. As soon as you receive a bill:

- Do not ignore medical bills.
- Contact Advanced Health Customer Service as soon as possible at 541-269-7400 (TTY 711).  
Hours: Monday – Friday 8:00 am to 5:00 pm
- If you get court papers, call us right away. You may also call an attorney or the Public Benefits Hotline at 800-520-5292 for free legal advice. There are consumer laws that can help you when you are wrongfully billed while on OHP.

- If you got a bill because your claim was denied by Advanced Health, contact Customer Service. Learn more about denials, your right to an appeal, and what to do if you disagree with us on page 102.
  - You can also appeal by sending Advanced Health a letter saying that you disagree with the bill because you were on OHP at the time of service.

### **Important tips about paying for services and bills**

- We strongly urge you to call Customer Service before you agree to pay a provider.
- If your provider asks you to pay a copay, do not pay it! Ask the office staff to call Advanced Health.
- Advanced Health pays for all covered services in accordance with the Prioritized List of Health Services, see page 36.
- For a brief list of benefits and services that are covered under your OHP benefits with Advanced Health, who also covers case management and care coordination, see page 34. If you have any questions about what is covered, you can ask your PCP or call Advanced Health customer service.
- No Advanced Health in-network provider or someone working for them can bill a member, send a member's bill to a collection agency, or maintain a civil action against a member to collect any money owed by Advanced Health for services

you are not responsible for.

- Members are never charged for rides to covered appointments. See page 71. Members may ask to get reimbursements for driving to covered visits or get bus passes to use the bus to go to covered visits.
- Protections from being billed usually only apply if the medical provider knew or should have known you had OHP. Also, they only apply to providers who work with OHP (but most providers do).
- Sometimes, your provider does not fill out the paperwork correctly. When this happens, they might not get paid. That does not mean you have to pay. If you already got the service and we refuse to pay your provider, your provider still cannot bill you.
- You may get a notice from us saying that we will not pay for the service. That notice does not mean you have to pay. The provider will write off the charges.

- If Advanced Health or your provider tell you that the service is not covered by OHP, you still have the right to challenge that decision by filing an appeal and asking for a hearing. See page 102.
- in the event of Advanced Health closing, you are not responsible to pay for services we cover or provide.

## **Members with OHP and Medicare**

Some people have OHP (Medicaid) and Medicare at the same time. OHP covers some things that Medicare does not. If you have both, Medicare is your main health coverage. OHP can pay for things like medications that Medicare doesn't cover.

### **If you have both, you are not responsible for:**

- Co-pays
- Deductibles or
- Co-insurance charges for Medicare services, those

charges are covered by OHP. You may need to pay a co-pay for some prescription costs.

There are times you may have to pay deductibles, co-insurance or co-pays if you choose to see a provider outside of the network. Contact your local Aging and People with Disabilities (APD) or Area Agency on Aging (AAA) office. They will help you learn more about how to use your benefits. Call the Aging and Disability Resource Connection (ADRC) at 855-673-2372 to get your local APD or AAA office phone number.

Call Customer Service to learn more about which benefits are paid for by Medicare and OHP (Medicaid), or to get help finding a provider and how to get services.

### **Providers will bill your Medicare and Advanced Health.**

Advanced Health works with Medicare and has an agreement that all claims will be sent so we can pay.

- Give the provider your OHP ID number and tell them you're covered by Advanced Health. If they still say you owe money, call Customer Service at 541-269-7400, (TTY 711). We can help you.
- Learn about the few times a provider can send you a bill on page 89.

Members with Medicare can change or leave the CCO they use for physical care at any time. However, members with Medicare must use a CCO for dental and behavioral health care.

## **Changing CCOs and moving care**

### **You have the right to change CCOs or leave a CCO.**

If you do not have a CCO, your OHP is called Fee-For-Service or open card. This is called “fee- for-service” because the state pays providers a fee for each service they provide. Fee-for-service members get the same types of physical, dental, and behavioral health care benefits as CCO members.

The CCO you have depends on where you live. The rules about changing or leaving a CCO are different when there’s only one CCO in the area and when there are more CCOs in an area.

**Members with Medicare and OHP (Medicaid)** can change or leave the CCO they use for physical care at any time. However, members with Medicare must use a CCO for dental and behavioral health care.

**American Indian and Alaska Native with proof of Indian Heritage** who want to get care somewhere else. They can get care from an Indian Health Services facility, tribal health clinic/program, or urban clinic and OHP fee-for-service.

### **Service areas with only one CCO:**

Members with only one CCO in their service area may ask to disenroll (leave) a CCO and get care from OHP fee-for-service at any time for any of the following “with cause” reasons:

- The CCO has moral or religious objections about the service you want.
- You have a medical reason. When related services are not available in network and your provider says that getting the

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

services separately would mean unnecessary risk. Example: a Caesarean section and a tubal ligation at the same time.

- Other reasons including, but not limited to, poor care, lack of access to covered services, or lack of access to network providers who are experienced in your specific health care needs.
- Services are not provided in your preferred language.
- Services are not provided in a culturally appropriate manner; or
- You're at risk of having a lack of continued care.

If you move to a place that your CCO does not serve, you can change plans as soon as you tell OHP about the move. Please call OHP at 800-699-9075 or use your online account at [ONE.Oregon.gov](https://one.oregon.gov).

## Service areas with more than one CCO:

Members with more than one CCO in their service area may ask to leave and change to a different CCO at any time for any of the following “with cause” reasons:

- You move out of the service area.
  - If you move to a place that your CCO does not serve, you can change plans as soon as you tell OHP about the move. Please call OHP at 800-699-9075 or use your online account at [ONE.Oregon.gov](https://one.oregon.gov).
- The CCO has moral or religious objections about the service you want.
- You have a medical reason. When related services are not available in network and your provider says that getting the services separately would mean unnecessary risk. Example: a Caesarean section and a tubal ligation at the same time.
- Other reasons including, but not limited to, poor care, lack of access to covered services, or lack of access to network providers who are experienced in your specific health care needs.
- Services are not provided in your preferred language.
- Services are not provided in a culturally appropriate manner; or
- You’re at risk of having a lack of continued care.

**Members with more than one CCO in their service area may also ask to leave and change a CCO at any time for the following “without cause” reasons:**

- Within 30 days of enrollment if:
  - You don’t want the plan you were enrolled in, or
  - You asked for a certain plan and the state put you in a different one.

- In the first 90 days after you join OHP or
  - If the state sends you a “coverage” letter that says you are part of the CCO after your start date, then you have 90 days after that letter date.
- After you have been with the same CCO for 6 months.
- When you renew your OHP.
- If you lose OHP for less than 2 months, are reenrolled into a CCO, and missed your chance to pick the CCO when you would have renewed your OHP.
- When a CCO is suspended from adding new members.
- At least once every 12 months if the options above don’t apply.

You can ask about these options by phone or in writing. Please call OHP Client Services at 800- 273-0557 or email [Oregon.Benefits@odhsos.oregon.gov](mailto:Oregon.Benefits@odhsos.oregon.gov).

## **How to change or leave your CCO**

**Things to consider:** Advanced Health wants to make sure you receive the best possible care. Advanced Health can give you some services that FFS or open card cannot. When you have a problem getting the right care, please let us try to help you before leaving Advanced Health.

If you still wish to leave, there must be another CCO available in your service area for you to switch your plan.

**Tell OHP if you want to change or leave your CCO.** You and/or your representative can call OHP Customer Service at 800-699-9075 or OHP Client Services 800-273-0557 (TTY 711) from Monday through Friday, 8 a.m. to 5 p.m. PT. You can use your online account at [ONE.Oregon.gov](https://ONE.Oregon.gov) or email OHP at [Oregon.Benefits@odhsoha.oregon.gov](mailto:Oregon.Benefits@odhsoha.oregon.gov). The effective date of disenrollment will be the first of the month following OHA's approval of disenrollment.

You can get care while you change your CCO. See page 96 to learn more.

## **Advanced Health can ask you to leave for some reasons**

Advanced Health may ask OHA to remove you from our plan if you:

- Are abusive, uncooperative, or disruptive to our staff or providers. Except when the behavior is due to your special health care need or disability.
- Commit fraud or other illegal acts, such as letting someone else use your health care benefits, changing a prescription, theft, or other criminal acts.

- Are violent or threaten violence. This could be directed at a health care provider, their staff, other patients, or Advanced Health staff. When the act or threat of violence seriously impairs Advanced Health's ability to furnish services to either you or other members.

We have to ask the state (Oregon Health Authority) to review and approve removing you from our plan. You will get a letter if the CCO asks to disenroll (remove) you and it has been approved.

You can make a complaint if you are not happy with the process or if you disagree with the decision. See **page 112** for how to make a complaint or ask for an appeal.

**Advanced Health cannot ask to remove you from our plan because of reasons related to (but not limited to):**

- Your health status gets worse.
- You don't use services.
- You use many services.
- You are about to use services or be placed in a care facility (like a long-term care facility or Psychiatric Residential Treatment Facility)

- Special needs behavior that may be disruptive or uncooperative.
- Your protected class, medical condition or history means you will probably need many future services or expensive future services.
- Your physical, intellectual, developmental, or mental disability.
- You are in the custody of ODHS Child Welfare.
- You make a complaint, disagree with a decision, ask for an appeal or hearing.
- You make a decision about your care that Advanced Health disagrees with.

For more information or questions about other reasons you may be disenrolled, temporary enrollment exceptions or enrollment exemptions, call Advanced Health at 541-269-7400 or OHP Client Services at 800-273-0557.

You will get a letter with your disenrollment rights at least 60 days before you need to renew your OHP.

### **Care while you change or leave a CCO**

Some members who change plans might still get the same services, prescription drug coverage and see the same providers even if not in-network. That means care will be coordinated when you switch CCOs or move from OHP fee-for-service to a CCO. This is sometimes called “Transition of Care.”

If you have serious health issues, need hospital care or inpatient mental health care, your new and old plans must work together to make sure you get the care and services you need.

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

## **When you need the same care while changing plans**

This help is for when you have serious health issues, need hospital care, or inpatient mental health care. Here is a list of some examples of when you can get this help:

- End-stage renal disease care.
- You're a medically fragile child.
- Receiving breast and/or cervical cancer treatment program members.
- Receiving Care Assist help due to HIV/AIDS.
- Pre and Post-transplant care.
- You're pregnant or just had a baby.
- Receiving treatment for cancer.
- Any member that if they don't get continued services may suffer serious detriment to their health or be at risk for the need of hospital or institution care.

## The timeframe that this care lasts is:

Membership Type	How long you can get the same care
OHP with Medicare (Full Benefit Dual Eligible)	90 days
OHP only	30 days for physical and oral health* 60 days for behavioral health*

\*Or until your new primary care provider (PCP) has reviewed your treatment plan.

If you are leaving Advanced Health, we will work with your new CCO or OHP to make sure you can get those same services listed below.

If you need care while you change plans or have questions, please call Advanced Health Customer Service at: 541-269-7400 (TTY users, call 711) Hours: Monday through Friday, 8:00 a.m. to 5 p.m. PST

## Advanced Health will make sure members who need the same care while changing plans get:

- Continued access to care and rides to care.
- Services from their provider even if they are not in the Advanced Health network until one of these happen:
  - The minimum or approved prescribed treatment course is completed, or
  - Your provider decides your treatment is no longer

needed. If the care is by a specialist, the treatment plan will be reviewed by a qualified provider.

- Some types of care will continue until complete with the current provider. These types of care are:
  - Care before and after you are pregnant/deliver a baby (prenatal and postpartum).
  - Transplant services until the first-year post-transplant.
  - Radiation or chemotherapy (cancer treatment) for their course of treatment.
  - Medications with a defined least course of treatment that is more than the transition of care timeframes above.

You can get a copy of the Advanced Health Transition of Care Policy by calling Customer Service at 541-269-7400. It is also on our website at <https://advancedhealth.com/members/> in the Your Benefits section. Please call Customer Service if you have questions.

## End of life decisions

### Advance directives

All adults have the right to make decisions about their care. This includes the right to accept and refuse treatment. An illness or injury may keep you from telling your doctor, family members or representative about the care you want to receive. Oregon law allows you to state your wishes, beliefs, and goals in advance, before you need that kind of care. The form you use is called an **advance directive**.

Go to <https://advancedhealth.com/members/forms/> to find Advanced Health's Advance Directive Policy.

An advance directive allows you to:

- Share your values, beliefs, goals and wishes for health care if you are unable to express them yourself.
- Name a person to make your health care decisions if you could not make them for yourself. This person is called your health care representative, and they must agree to act in this role.
- The right to share, deny or accept types of medical care and the right to share your decisions about your future medical care.

### How to get more information about Advance Directives

We can give you a free booklet on advance directives. It is called "Making Health Care Decisions". Just call us to learn more, get a copy of the booklet and the Advance Directive form. Call Advanced Health Customer Service at 541-269-7400. An Advance Directive User's Guide is available. It provides information on:

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

- The reasons for an Advance Directive.
- The sections in the Advance Directive form.
- How to complete or get help with completing an Advance Directive.
- Who should be provided a copy of an Advance Directive.
- How to make changes to an Advance Directive.

To download a copy of the Advance Directive User's Guide or Advance Directive form, please visit:

<https://www.oregon.gov/oha/ph/about/pages/adac-forms.aspx>

### **Other helpful information about Advance Directives**

- Completing the advance directive is your choice. If you choose not to fill out and sign the advance directive, your coverage or access to care will stay the same.
- You will not be treated differently by Advanced Health if you decide not to fill out and sign an advance directive.

- If you complete an advance directive be sure to talk to your providers and your family about it and give them copies.
- Advanced Health will honor any choices you have listed in your completed and signed Advance Directive. If a doctor you work with has a moral objection to honoring your Advance Directive, please call Customer Service to request another provider who does not have a conscientious objection.

## **How to report if Advanced Health did not follow advance directive requirements**

## What is the difference between a POLST and Advance Directive?

### Portable Orders for Life-Sustaining Treatment (POLST)

A POLST is a medical form that you can use to make sure your wishes for treatment near the end of life are followed by medical providers. You are never required to fill out a POLST, but if you have serious illnesses or other reasons why you would not want all types of medical treatment, you can learn more about this form. The POLST is different from an Advance Directive:

	Advance Directive	POLST
What is it?	Legal document	Medical order
Who should get it?	For all adults over the age of 18	People with a serious illness or are older and frail and might not want all treatments
Does my provider need to approve/sign?	Does not require provider approval	Needs to be signed and approved by healthcare provider
When is it used?	Future care or condition	Current care and condition

To learn more, visit: <https://oregonpolst.org/>

Email: [polst@ohsu.edu](mailto:polst@ohsu.edu) or call Oregon POLST at 503-494-3965.

## Declaration for Mental Health Treatment

Need help? Call 541-269-7400 or visit <https://AdvancedHealth.com>

Oregon has a form for writing down your wishes for mental healthcare. The form is called the Declaration for Mental Health Treatment. The form is for when you have a mental health crisis, or you can't make decisions about your mental health treatment. You have the choice to complete this form, when not in a crisis, and can understand and make decisions about your care.

### **What does this form do for me?**

The form tells what kind of care you want if you are ever unable to make decisions on your own. Only a court and two doctors can decide if you cannot make decisions about your mental health.

This form allows you to make choices about the kinds of care you want and do not want. It can be used to name an adult to make decisions about your care. The person you name must agree to speak for you and follow your wishes. If your wishes are not in writing, this person will decide what you would want.

A declaration form is only good for 3 years. If you become unable to decide during those 3 years, your form will take effect. It will remain in effect until you can make decisions again. You may cancel your declaration when you can make choices about your care. You must give your form both to your PCP and to the person you name to make decisions for you.

To learn more about the Declaration for Mental Health Treatment, visit the State of Oregon's website at [https://aix-xweb1p.state.or.us/es\\_xweb/DHSforms/Served/le9550.pdf](https://aix-xweb1p.state.or.us/es_xweb/DHSforms/Served/le9550.pdf)

If your provider does not follow your wishes in your form, you can complain. A form for this is at [www.healthoregon.org/hcrqi](http://www.healthoregon.org/hcrqi). Send your complaint to:

## Complaints, Grievances, Appeals and Fair Hearings

Advanced Health makes sure all members have access to a grievance system (complaints, grievances, appeals and hearings). We try to make it easy for members to file a complaint, grievance, or appeal and get info on how to file a hearing with the Oregon Health Authority.

Let us know if you need help with any part of the complaint, grievance, appeal, and/or hearings process. We can also give you more information about how we handle complaints/grievances and appeals. Copies of our notice templates are also available. If you need help or would like more information beyond what is in the handbook contact us at: 541-269-7400 or email at [customerservice@advancedhealth.com](mailto:customerservice@advancedhealth.com).

### You can make a complaint

- A **complaint** is letting us know you are not satisfied.
- A **dispute** is when you do not agree with Advanced Health or a provider.
- A **grievance** is a complaint you can make if you are not happy with Advanced Health, your healthcare services, or your provider. A dispute can also be a grievance.

To make it easy, OHP uses the word **complaint** for grievances and disputes, too.

You have a right to make a complaint if you are not satisfied with any part of your care. We will try to make things better. Just call Customer Service at 541-269-7400, Toll Free 800-264-0014, TTY 711 or 800-735-1232. You can also make a complaint with OHA

**You can ask us to change a decision we made. This is called an appeal.**

You can call, write a letter or fill out a form that explains why the plan should change its decision about a service.

If we deny, stop, or reduce a medical, dental or behavioral health service, we will send you a denial letter that tells you about our decision. This denial letter is also called a Notice of Adverse Benefit Determination (NOABD). We will also let your provider know about our decision.

**If you disagree with our decision, you have the right to ask us to change it.** This is called an appeal because you are appealing our decision.

### **Don't agree with our decision?**

#### **Follow these steps:**

<b>1</b>	<b>Ask for an appeal</b> You must ask within 60 days of your denial letter's date. Call or send a form.
<b>2</b>	<b>Wait for our reply</b> We have 16 days to reply. Need a faster reply? Ask for a fast appeal.

## Learn more about the steps to ask for an appeal or hearing:

### Step 1

#### **Ask for an appeal.**

You must ask within 60 days of the date of the denial letter (NOABD).

Call us at 541-269-7400 (TTY 711) or use the Request to Review a Health Care Decision form. The form will be sent with the denial letter. You can also get it at <https://bit.ly/request2review>.

You can mail the form or written request to **Advanced Health, 289 La Clair Street, Coos Bay OR 97420**

You can also fax the form or written request to 541-269-2052.

#### **Who can ask for an appeal?**

You or someone with written permission to speak for you. That could be your doctor or an authorized representative.

## Step 2

### **Wait for our reply.**

Once we get your request, we will look at the original decision. A new doctor will look at your medical records and the service request to see if we followed the rules correctly. You can give us any more information you think would help us review the decision.

To support your appeal, you have the right to:

- Give information and testimony in person or in writing.
- Make legal and factual arguments in person or in writing.

You must do these things within appeal timeframes listed below.

### **How long do you get to review my appeal?**

We have 16 days to review your request and reply. If we need more time, we will send you a letter. We have up to 14 more days to reply.

### **What if I need a faster reply?**

You can ask for a fast appeal. This is also called an expedited appeal. Call us or fax the request form. The form will be sent with the denial letter. You can also get it at <https://bit.ly/request2review>. Ask for a fast appeal if waiting for the regular appeal could put your life, health or ability to function in danger. We will call you and send you a letter, within 1 business day, to let you know we have received your request for a fast appeal.

### **How long does a fast appeal take?**

If you get a fast appeal, we will make our decision as

quickly as your health

requires, no more than 72 hours from when the fast appeal request was received. We will do our best to reach you and your provider by phone to let you know our decision. You will also get a letter.

At your request or if we need more time, we may extend the timeframe for up to 14 days.

If a fast appeal is denied or more time is needed, we will call you and you will receive written notice within two days. A denied fast appeal request will become a standard appeal and needs to be resolved in 16 days or possibly be extended 14 more days.

	<p>If you don't agree with a decision to extend the appeal time frame or if a fast appeal is denied, you have the right to file a complaint.</p>
<b>Step 3</b>	<p><b>Read our decision.</b></p> <p>We will send you a letter with our appeal decision. This appeal decision letter is also called a Notice of Appeal Resolution (NOAR). If you agree with the decision, you do not have to do anything.</p>

## Step 4

### Still don't agree? Ask for a hearing.

You have the right to ask the state to review the appeal decision. This is called asking for a hearing. You must ask for a hearing within 120 days of the date of the appeal decision letter (NOAR).

#### What if I need a faster hearing?

You can ask for a fast hearing. This is also called an expedited hearing.

Use the online hearing form at <https://bit.ly/ohp-hearing-form> to ask for a normal hearing or a faster hearing.

You can also call the state at 800-273-0557 (TTY 711) or use the request form that will be sent with the letter. Get the form at <https://bit.ly/request2review>. You can send the form to:

OHA Medical  
Hearings 500  
Summer St NE  
E49 Salem, OR  
97301  
Fax: 503-945-6035

The state will decide if you can have a fast hearing 2 working days after getting your request.

**Who can ask for a hearing?**

You or someone with written permission to speak for you. That could be your doctor or an authorized representative.

**What happens at a hearing?**

At the hearing, you can tell the Oregon Administrative Law judge why you do not agree with our decision about your appeal. The judge will make the final decision.

**Questions and answers about appeals and hearings****What if I don't get a denial letter? Can I still ask for an appeal?**

You have to get a denial letter before you can ask for an appeal.

Providers should not deny a service. They have to ask Advanced Health if you can get approval for a service.

If your provider says that you cannot have a service or that you will have to pay for a service, you can ask us for a denial letter (NOABD). Once you have the denial letter, you can ask for an appeal.

**What if Advanced Health doesn't meet the appeal timeline?**

If we take longer than 30 days to reply to your appeal, you can ask the state for a review. This is called a hearing. To ask for a hearing, call the state at 800-273-0557 (TTY 711) or use the online hearing form at <https://bit.ly/ohp-hearing-form>.

### **Can someone else represent me or help me in a hearing?**

You have the right to have another person of your choosing represent you in the hearing. This could be anyone, like a friend, family member, lawyer, or your provider. You also have the right to represent yourself if you choose. If you hire a lawyer, you must pay their fees.

For advice and possible no-cost representation, call the Public Benefits Hotline at 1-800-520-5292; TTY 711.

The hotline is a partnership between Legal Aid of Oregon and the Oregon Law Center. Information about free legal help can also be found at [OregonLawHelp.com](http://OregonLawHelp.com)

### **Can I still get the benefit or service while I'm waiting for a decision?**

If you have been getting the benefit or service that was denied and we stopped providing it, you, or authorized representative, with your written permission, can ask us to continue it during the appeal and hearings process.

**You need to** ask for this within 10 days of the date of notice or by the date the decision is effective, whichever is later. You can ask by phone, letter, or fax.

- You can call us at 541-269-7400 (TTY 711). or
- Use the Request to Review a Health Care Decision form. The form will be sent with the denial letter. You can also get it at <https://bit.ly/request2review>.
- **Answer “yes” to the question about continuing services on box 8 on page 4 on the *Request to Review a Health Care Decision* form.**

You can mail the form to **Advanced Health, 289 La Clair Street, Coos Bay OR 97420**

### **Do I have to pay for the continued service?**

If you choose to still get the denied benefit or service, you may have to pay for it. If we change our decision during the appeal, or if the judge agrees with you at the hearing, you will not have to pay.

If we change our decision and you were not receiving the service or benefit, we will approve or provide the

service or benefit as quickly as your health requires. We will take no more than 72 hours from the day we get notice that our decision was reversed.

**What if I also have Medicare? Do I have more appeal rights?**

If you have both Advanced Health and Medicare, you may have more appeal rights than those listed above. Call Customer Service at 541-269-7400 (TTY 711) for more information. You can also call Medicare at 800-633-4227 or TTY 877- 486-2048 to find out more on your appeal rights.

**What if I want to see the records that were used to make the decision about**

**my service(s)?**

You can contact Advanced Health at 541-269-7400 (TTY 711) to ask for free copies of all paperwork used to make the decision.
